WE ARE BEAUTY.

«*Crediamo nella bellezza della Semplicità
Nell'armonia degli Elementi
Nell'equilibrio della Natura.*»

We believe in the beauty of Simplicity.
In the harmony of Elements.
In the balance of Nature.

Ci ispiriamo liberamente alla natura nella creazione di prodotti professionali per la cura dei capelli, coniugando la ricerca scientifica con l'utilizzo di preziosi principi attivi naturali.

La nostra dedizione è rivolta a promuovere una bellezza **sostenibile, universale e senza compromessi!**

Da oltre 15 anni, sviluppiamo prodotti hair care Made in Italy, innovativi e funzionali.

We are Eco-Inspired!

Sustainable & Green Oriented: le nostre linee aspirano al più alto livello di eccellenza e trasmettono in ogni prodotto, la *tradizione*, la *passione* e la *creatività* che da sempre ci contraddistinguono.

Il nostro impegno nelle attività di sviluppo e innovazione si traduce nella costante ricerca di formule all'avanguardia. Adottando pratiche sostenibili ci poniamo l'obiettivo principale di ridurre il consumo e lo spreco di risorse. Le nostre formulazioni sono studiate con cura, e prevedono l'utilizzo di ingredienti di origine naturale in sintonia con la nostra missione volta a promuovere l'**Eco-Conscious Haircare**.

Ci dedichiamo a creare prodotti che contribuiscono al benessere del pianeta attraverso una scelta consapevole e responsabile.

We are freely inspired by nature in the creation of professional hair care products, combining scientific research with the use of valuable natural active ingredients.

Our dedication is to promoting **sustainable, universal and uncompromising** beauty!

For over 15 years, we have been developing innovative and functional Made in Italy hair care products.

Sustainable & Green Oriented: our lines aspire to the highest level of excellence and convey in each product the *tradition*, *passion* and *creativity* that have always distinguished us.

Our commitment to development and innovation is reflected in our constant search for cutting-edge formulas. By adopting sustainable practices, we aim to reduce the consumption and waste of resources.

Our formulations are carefully designed, using ingredients of natural origin in line with our mission to promote **Eco-Conscious Haircare**.

We are dedicated to creating products that contribute to the well-being of the planet through conscious and responsible choice.

Nook for *PEOPLE* Nook for *PLANET*

*«La bellezza salverà il mondo,
se il mondo salverà la bellezza.»*

Beauty will save the world,
If the world will save beauty.

Da qui nasce e si sviluppa il nostro impegno per promuovere una forma di bellezza come valore universale.

La nostra missione è guidata dalla consapevolezza dell'impatto che ogni decisione aziendale può avere sul **pianeta/Planet** e sulle **persone/People**.

Cerchiamo continuamente soluzioni innovative per promuovere uno stile di vita e un'attività imprenditoriale eco-sostenibili.

for *People*

Mettiamo al primo posto l'attenzione per la cura della bellezza dei capelli, considerando imprescindibile la priorità dedicata al benessere delle persone.

We put the care of the beauty of hair first, considering the priority given to people's well-being to be indispensable.

«Crediamo nella cultura della bellezza universale: ogni persona possiede un fascino naturale fatto di unicità ed equilibrio.»

We believe in a culture of universal beauty: every individual possesses a naturally alluring blend of uniqueness and harmony.

This is where our commitment to promote a form of beauty as a universal value originates and develops.

Our mission is driven by an awareness of the impact that every business decision can have on the **planet/Planet** and **people/People**.

We continuously look for innovative solutions to promote an environmentally sustainable lifestyle and business.

for *Planet*

Ci impegnamo ad adottare azioni virtuose finalizzate a ridurre concretamente l'impatto ambientale.

We are committed to adopting virtuous actions aimed at concretely reducing our environmental impact.
